Response

Dear Sir:

In response to the Office Action of 10/3/2007, please enter the following claims as set forth in the claim listing. The claims have all been canceled, and thus no election is being made in response to the Office Action. Please consider the replacement claims instead. Note that the application claims priority to PCT PCT/US01/20179 (filed as National phase 10/204,799), which together with the specification of the instant application, provides support for all claims.

Respectfully Submitted,

By:/EPM/
